PLEASE .... MAKE THE CONNECTION!

Click on picture to learn more about factory farming

We love our dogs and cats. We are horrified at the thought of people in other countries eating dogs and cats and at the horse slaughter in our own country; yet, it’s acceptable to eat pigs, chicken and cows.

All animals feel joy. They all can experience pain and fear. Children naturally love any animal they encounter, but somewhere along the way we are conditioned to separate those we love from those we eat.

What you can do: Select an animal each month to leave off your plate. Think about the sentient animal at the end of your fork, for much was experienced to get there.

Please remember to buy only pasture-raised eggs and pass this email to your mailing list. Thank you! Lois
