It's IMPOSSIBLE..!

Take the Impossible Challenge

I ordered my second **Impossible burger** recently. I asked the waitress to be sure there wasn't a mix up because it tasted like the real thing. The first Impossible burger I had was well done but this one was less so and reddish inside.

There must have been a mistake.... *No mistake!* Between the Impossible burger and the Beyond Burger, both sold at many restaurants and supermarkets and expanding fast, there now is a fantastic substitute to eating cows.

Please give this new opportunity to eat cruelty free a try. I do think you'll like it!
