Wishing you a *Compassionate* Thanksgiving Celebration

Start a new tradition…
Try a Cruelty-Free Thanksgiving by eliminating the Turkey
You won't miss it!

Remember… even humanely raised turkeys meet a painful & terrifying end

Did you know:

The turkeys today grow so fast that their delicate legs often break under the weight of their bodies.

From the moment they hatch they have their beaks and toes cut off in a standard industry practice known as "debeaking" and "detoeing".

Make your plate this year without turkey…

You won't miss it!
